## **EAZ LIFT WEIGHT DISTRIBUTION HITCHES**

Designed with ease of operation in mind, the Eaz Lift Weight Distribution Hitch has high grade machine tapered round spring steel bars and is available in a 600 or 800 Series with various shanks sold separately. The Eaz Lift range of weight distribution hitches include bolt together tow ball mounts that are completely adjustable for changing tow ball heights and angles to suit different applications. The left and right sway control mounting facility is already provided for, should you later require a sway control kit for additional towing comfort and safety. All necessary parts come with each hitch including hook-up brackets, spring bars, chains, tow ball mount, hitch pin, clip and bolt package for adjusting your hitch.

- *Please note shanks are sold separately*

**TIP - Do not overload any part of your towing system. Consult the vehicle manual for towing recommendations and limitations.**

## WEIGHT DISTRIBUTION HITCHES

### » EAZ LIFT 600 SERIES (272KG) WEIGHT DISTRIBUTION HITCH

No Shank  
350-05600

### » EAZ LIFT 800 SERIES (363KG) WEIGHT DISTRIBUTION HITCH

No Shank  
350-05610

## WEIGHT DISTRIBUTION HITCH AVAILABLE SHANKS

Used in either the high or low position to match the tow ball mount to any coupler height. Long hi-low shanks provide the extra length sometimes needed to obtain clearance from bumper interference.

### » HI-LOW SHANK

Fits 2" x 2" receiver

**High mounted: + 225mm lift / + 315mm lift**

### » EXTRA LOW SHANK

**Low mounted:- 50mm lift / - 140mm lift**

## SWAY CONTROL BAR AND LUBRICANT

» The Eaz Lift screw on sway controls minimize the sway caused from passing trucks and sudden gusts of wind. Its double friction disc brake principle enables it to constantly reduce the sway and hence improves vehicle handling. Note: Vehicles over 24' may require two sway controls.

350-05800 **EAZ LIFT SCREW-ON SWAY CONTROL - DRIVERS SIDE/RIGHT HAND MOUNTED**

350-05810 **EAZ LIFT SCREW-ON SWAY CONTROL - PASSENGER SIDE/LEFT HAND MOUNTED**

» The EazLift Adjustable Ball Mount offers a huge range tow ball height adjustment, up to 680mm across EazLift's range of compatible shanks.

350-05730 **Adjustable Ball Mount**
