BI-FOLDING TABLES

Introducing Coast to Coast's new range of bi-folding high density polyethylene (HDPE) tables.

Available in 3 sizes from 4-6' in length these tables are lightweight and sturdy and feature folding steel legs, lockable center folds and convenient carrying handles.

Designed for quick and easy setup as well as simple, space saving storage these tables are ideal for the Australian RV market.

- » Folds in half for compact storage.
- » Convenient carrying handles
- » Made from high density polyethylene for superior strength and durability
