

ALTITUDE™

The Carefree Connects mobile app gives you total control of the Altitude from a Bluetooth enabled mobile device.

Altitude introduces a new high in awning intelligence and style. This advanced awning helps set your RV apart from the crowd with features you might find on much higher priced products.

Altitude makes the outdoors the 'coolest' part of any RV.

Today's RV owners enjoy entertainment, connectivity and technology that simplify RV living. Our Altitude awnings are loaded with leading-edge technology to reshape the idea of a cool RV patio.

FEATURES

Memory Pitch. Awning extends out to the same pitch it was retracted from.

Exclusive Pitch Adjustments. Now with easier to use buttons for adjustment and you can change the pitch when the awning is closed!

Bluetooth Enabled. The wireless awning control system and mobile app allows you to control awning extension, retraction, LED lighting, and the sensitivity of the wireless motion sensor right from your mobile device.
