

Carefree Triple Black LED Awning

The latest in Carefree's range, the Triple Black LED Awning adds all new style to the classic Fiesta awnings to suit the modern RV aesthetics.

The new Triple Black Awning's vinyl Weatherguard fabric protecting fabric from the sun, scrapes and exposure. The Weatherguard also rolls up black and features a beautiful Black Shale Fade Canopy with a black valance when rolled out.

- » The unique black springs on the awning keep in theme with the dark aesthetic.
- » Canopy roller tube features intergated LED lighting.

With a large range of sizes, the 10'-14' awnings projects up to 7'3" (2.21m), while the awnings from 15'-20' project up to 7' 6" (2.30m).

Carefree Fiesta Features:

- » Remote and Travel Locks
- » Canopy Clamps
- » Heavy Duty Brackets
- » Single Track Slider
