THE MOST REFINED RV REFRIGERATOR ON THE MARKET

The Dometic RUC8408X refrigerator has undergone extensive research and development with the result being the most refined RV refrigerator on the market. At the centre of the Dometic RUC8408X's design is its tall and narrow cabinet, which allows for greater flexibility in the kitchen area without compromising on storage volume. Due to the smaller footprint, the installation of the refrigerator is hassle-free, the service process for the Dometic RUC 8408X refrigerator has also been streamlined, the result being that rather than removing windows to access the refrigerator, the RUC 8408X refrigerator can easily fit through the entrance door of your RV if required.

- Narrow design with slim footprint – easy to install
- T-rated cooling systems
- Control panel with intuitive colour TFT display
- Interior LED lighting and audible alarm
- Reversible door hinges
- Fully adjustable wire shelves with shelf guards
- Full-width crisper with humidity control

TOUCH CONTROL

TFT color display with unique rotary touch control

INTUITIVE AND EASY TO USE

The stylish control panel is intuitive and easy to use. The control panel allows users to select the interior compartment temperature, power source, and a variety of pre-set modes; including performance, silent and power-save. Users can simply click and turn the selection wheel to navigate through the settings on the TFT colour display. The control panel also features a built-in service mode that creates simple diagnostics if required.

- Reliable refrigeration performance
- Built-in circulation fans ensure that food and beverages are cooled quickly
- Full-width crisper with humidity control for fruit and vegetables
- Freezer and refrigerator doors include shelving

MAXIMISE YOUR KITCHEN

The Dometic RUC refrigerator is the way to go when seeking to maximise your kitchen area without compromising on storage volume. This is owing to its revolutionary designed tall and narrow cabinet. The RUC model also features a range of innovative storage compartments, such as a full-width crisper with humidity control, which will keep fruits and vegetables in the perfect environment throughout your entire trip. The bottom shelf can also be lowered at the back to securely store bottles and cans, and if this isn't enough storage for all your drinks – the refrigerator doors include shelving, giving you that extra storage.

A NEW BENCHMARK IN RV REFRIGERATION

The Dometic RUC refrigerators provide the reliable refrigeration performance that the RV market has come to expect from Dometic refrigerators. The T-rated cooling system ensures excellent performance in both high and low ambient temperatures, making the RUC refrigerator an excellent choice for all conditions. The built-in control panel is intuitive and easy to use, allowing users to select a temperature range and a variety of pre-set modes. The control panel also features a built-in service mode that creates simple diagnostics if required. Coloured error messages are displayed alongside an audible alarm if errors occur.

SPECIFICATIONS

GENERAL

SKU number 9600003698

Model RUC8408X

Model on label RUA8408

Scope of delivery 1 refrigerator, 1 bottom trim piece, 1 user manual

Product Description Compressor refrigerator, 216 l

Refrigeration technology Compressor

DIMENSIONS

Dimensions product depth 677 mm

Dimensions product height 1657 mm

Dimensions product width 550 mm

Net weight 46 kg

Gross volume 224.00 l

Storage volume - total 216.00 l

Fridge storage volume 170.00 l

Freezer storage volume 46.00 l

ELECTRICAL

Input voltage (AC) 100-240 V

Input voltage (DC) 12/24 V

Input frequency 50/60 Hz

PERFORMANCE

Refrigerant, type R134a

-Contains fluorinated greenhouse gases

GWP 1430

Refrigerant amount 103 g

CO2 equivalent 0,147 t

Average energy consumption at AC (EN62552) 1.02 kWh/24h

Climate class (EN62552) N/T

ADDITIONAL

Colour Black

Thermostat control UES

Hinge type Right hinged

Interior light Yes, LED

Certificates EMC, CB, RCM

LOGISTICS

EAN-13 6951218416050

Dimensions parcel depth 762 mm

Dimensions parcel height 1765.05 mm
