

Telescopic Arm Support F80s / F80L

SUITABLE FOR MOTORHOMES, CARAVANS AND VAN CONVERSIONS

Telescopic arm support: new optional accessory that can be installed on the F80s (from length 320) and F80L awning to guarantee maximum stability. It prevents the arms from closing, whatever the weather conditions*, guaranteeing resistance even under heavy stress. Awning arms will be fitted as standard with the provision to accommodate this new accessory.

FEATURES:

- Integrated in the awning arms, can be used as required
- Quick and easy to use, disengages with a simple click

* however, conscientious use is recommended, avoiding exposure to the risk of weather events for which a weather alert has been issued by the appropriate authorities.
