Bring home more memories than dust on your next road trip with Gusto

SPECIFICATIONS

- Mounts to the side of a caravan
- Power specs – 18 Amps Max current, 12-14v DC
- Able to pressurise a caravan in seconds
- Eliminates requirements for structural reinforcing and extensive waterproofing
- Creates more roof space for solar panels
- Compact and sleek design
- Aesthetically pleasing
- Operates when the van is stationary
- Also operates when the van is travelling in excess of 100km/h
- Compact design allows for fitment inside standard internal cabinet
- Once installed, the device is concealed from user
- Plastics – all plastics exposed to sunlight will be ASA (similar to ABS, but with better UV resistance)
- Screw material – all fasteners are stainless steel
- Sheet metal frame – made from SECC (galvanised steel sheet) with powder coated finish
- Available in black or white

650-01220 GUSTO DRS Complete Unit - White

650-01222 GUSTO DRS Complete Unit – Black
