

Coast to Coast
CARAVAN & LEISURE

Two-Piece Levellers

Removing the end, allows the leveller to be placed between the wheels

Position the vehicle on the first section of the leveller

Re-attach the end piece of the leveller

With the end piece re-attached, the van can be raised by a full 100mm!

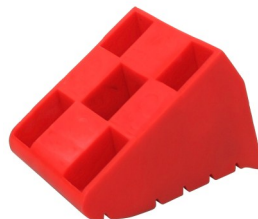

450-00396

Specifically designed for tandem axle trailers, the new CVL2 Levellers have a 5 tonne capacity. Super strong, they're able to raise a wheel up to 100mm (without the use of a jockey wheel)!

Benefits at a Glance:

- Suitable for single and tandem axle trailers
- Has an extra wide tread to cater for tyre widths of up to 250mm
- Lightweight—weighing just 1.8Kg each
- Takes up minimal storage space (140H x 570L x 250W mm)
- Sold in pairs

Chock to suit CVL2 Leveller
