

WINEGARD AIR 360 OMNIDIRECTIONAL TV ANTENNA

- 360° Reception - (Horizontal Polarisation)
- No Aiming Required
- Easy Installation
- Durable & Weather-Resistant
- Compact & Low-Profile Options

Sleek. Durable. Powerful.

Transform your RV entertainment with the WINEGARD AIR 360, a powerful omnidirectional antenna built for superior performance. With a range of up to 90 km, it effortlessly captures HDTV, FM, and AM radio signals, ensuring reliable reception even in remote locations.

Designed for travellers who value staying connected, the AIR 360 features a durable, low-profile dome that blends seamlessly with your RV's exterior. Its omnidirectional design eliminates the need for constant adjustments, providing a hassle-free experience on the road.

For those who want comprehensive entertainment options, the AIR 360 offers UHF, VHF, and radio reception, making it a top choice for all your TV and radio needs.

WINEGARD

Sleek. Durable. Powerful.
