

TRAVEL RACK PRO

A-Frame Accessories Mount Carrier

The Coast Travel rack pro is the perfect solution to help you transport bikes and other cargo on our next RV adventure.

Features and Benefits

- **Raised tow-ball mount:** Compatible with most tow-ball mounted accessories such as bike and luggage racks or even more premium options like Coast Quick-fit bike racks.
- **Increased storage space:** Provides additional storage space and carrying racks for items that may not fit inside the caravan, such as bicycles, kayaks, luggage and more
- **Enhanced versatility:** When you have arrived and set up at your destination, you can remove a bike rack from the travel rack pro and use it on your car's tow ball for the day trips away.
- **Easy to install:** Thanks to its clever U-Bolt design installation requires no drilling.
- **Durable and Robust:** Made from heavy duty steel it can carry up to 60kg
